CAREER OBJECTIVE

A highly motivated and detail-oriented individual with a strong academic background in physics and experience in teaching and technology. Possessing excellent communication skills, technical proficiency, and a solution-oriented mindset, I aim to contribute meaningfully to dynamic teams while continuously growing both professionally and personally.

WORK EXPERIENCE

- **Educational Center** 2023 - 2024
Mathematics Instructor & Marketolog
 - Provided mathematics lessons to middle and high school students, preparing them for entrance exams to Presidential Schools.
 - Helped multiple students gain admission to prestigious educational institutions.
 - Designed personalized teaching materials and ensured high engagement through interactive methods.

CERTIFICATES

- Physics – Level B Certificate
- IELTS – Overall Band Score: 6.0
